Subject: Re: Issues around Hollywood Recreation Center - Help Needed

Hi All,

I will review any crime reports from this location, and where appropriate file criminal cases and request stay away orders. For homeless defendants it is always our goal to push the individuals into services/housing through the courts where possible. It would be helpful if all service providers working with individuals in this area could connect with LAPD and information-share where possible. Evidence of outreach/services is always relevant to our cases. I will also continue to work w/LAPD on enforcement of 56.11, 41.18, etc. where possible, although I know we're all aware of the challenges we face with meaningful enforcement.

LAPD, RAP, City Attorney, and LAHSA friends:

Removing the constituent from the thread, so this is now City family-only. In recent days, I've been getting several calls and emails regarding the situation at and around Hollywood Recreation Center, and I've driven the location several times myself. We hear basically daily from neighbors that the situation around the Rec Center has gotten noticeably worse in terms of suspected criminal activity emanating from the encampments (particularly related to narcotics).

I am asking you all for the following:

LAPD - Hollywood: Daily 6:00 AM enforcement of the tents (I often see at least a dozen or more up during the day)

LAPD - OWB/HOPE: Please consider this the top current location in Hollywood Division, from CD13's perspective. We need as much outreach and, if necessary, enforcement as possible.

LAHSA: Don, as we spoke about yesterday, please have your HOPE and Outreach Teams make this as high a priority as possible, and please coordinate with LGBT Center and E6 teams on outreach.

City Attorney: Steve, are you able to work with LAPD on legal remedies where applicable?

RAP: Yamil, please continue to be in touch with me regarding what you are seeing and the feedback you are getting. I often hear from the residential neighbors but I would appreciate hearing from you as well.

Thanks, everyone.

Best,

Hi Anthony,

I am un-CCing some of the other folks on this thread, and including personnel from **LAPD** (Captain Cory Palka, Captain Jonathan Pinto, Sgt. Adrian Maxwell, Sgt. Darrell Davis, Officer Cesar Corona, and Acting Senior Lead Officer Jesse Rubalcava), the office of the **City Attorney** (Steve Houchin, our Hollywood neighborhood prosecutor), the **Department of Recreation and Parks** (Yamil Verde from Hollywood Recreation Center), and **LAHSA, the Los Angeles Homeless Services Authority** (Don Holt). I am also CCing my colleague here at Councilmember Mitch O'Farrell's office, our District Director Marisol Rodriguez.

I'm including everyone above to keep all the appropriate parties in the loop regarding your photos and documented concerns.

As I believe we have discussed in the past, there are a number of legal and logistical challenges that dictate the actions that the City can and cannot take at this location. That being said, we certainly understand and share many of the concerns that you and other neighbors have raised. For my part, I will be calling you **today, Tuesday December 12th, at 4:30 PM** at the number you provided. This way, we can discuss these issues in greater detail. If that time doesn't work for you, please let me know, and/or feel free to give me a call back at your convenience. My cell is (213) 254-7214.

We are here to assist in any way we can.

Thanks,

Dan Halden

Hi Everyone and happy monday.

Thank you for your concerned response to my emails last week about the encampment of crack heads and drug addicts that piss and shit on the street in front of a park where children play.

I would like some response on how you plan to handle this?

The answer that nothing can be done is not acceptable.

I own the property at 1149 Cole. I lived there from 2007-2012. Raised my daughter there for 5 years played in the Hollywood community park.

How as the city allowed this to happen?

These are not out of work actors or editor down on there luck waiting to find the next gig. These are career drug dealer pimps and low lives. They harass the good tax paying citizens. Is this your plan? Have these "homeless" harass the

property owners and there tenants to drive down the value or property before the city redevelops it?

I've seen them run prostitution rings out of there tents.

Is that what the ACLU and homeless advocate support? Prostitution & drug usage?

How do we clean this up?

Please advise what steppes are being taken to handle this.

Best
